Background

UGC-INFONET Digital Library Consortium (December 2003)
Launched by
Dr APJ Abdul Kalam
Former President of India

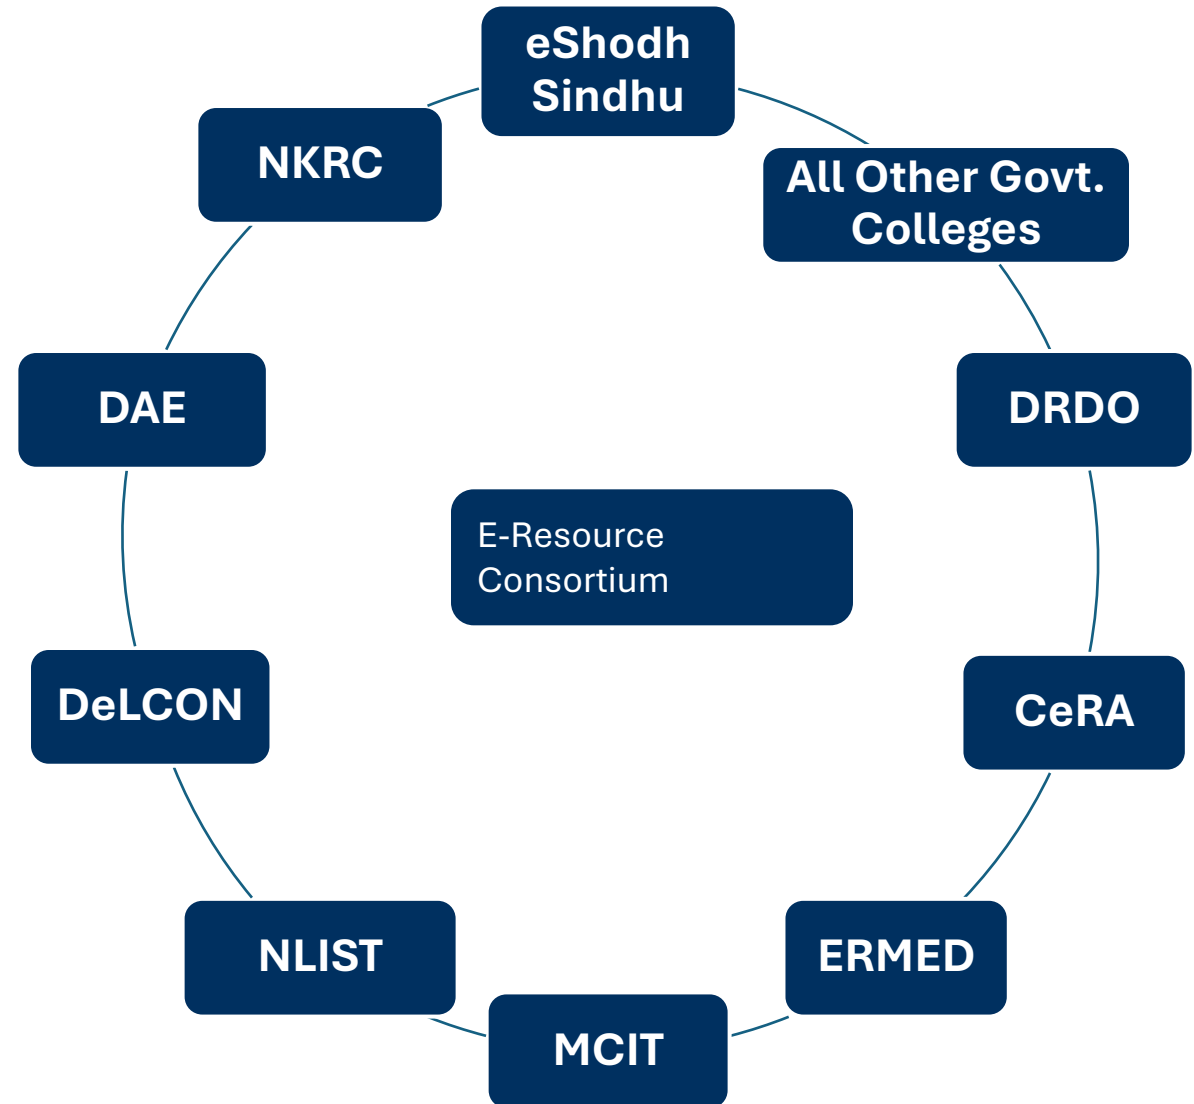

UGC-INFONET Connetivity Programme (December 2002)
Innagurated by
Shri Atal Bihari Vajpayee
Former Prime Minister of India

Background

Access to subscription journals were being acquired through different library consortia of government departments, academic and R & D institutions; and through individual subscriptions by various higher education and R & D institutions

Governance and Management

The One Nation One Subscription (ONOS) initiative is governed through a structured framework comprising key national-level committees and a central implementing agency to ensure effective planning, execution, and monitoring of the programme.

Core Committee

Provides strategic direction and policy-level guidance, monitors overall progress, and approves major decisions throughout the implementation process.

Planning and Execution Committee (PEC)

Responsible for overseeing implementation

Cost Negotiation Committee (CNC)

Conducts centralized negotiations with international publishers to determine fair pricing for subscriptions and APCs.

Member Institutions

- Institutions of National Importance (INIs) (including CFTIs under Department of Higher Education and INIs under other ministries)
- Universities:
 - Central Universities
 - State Public Universities
 - IUCs of UGC
 - Deemed universities government/Govt aided
- Government Colleges
- Other MoE institutions (research Councils and research institutes receiving research grants from Research Councils)
- Institutions under other Ministries & Departments

Sl.	Description	Count
1	Registered Institutions	6392
2	Number of Full-text Downloads	18.38 Cr
3	APC Paid / Published	144 (Rs. 5.16 cr)
4	APC Payment in process	25 (Rs. 1.56 cr)

Data as on 24th August 2026

Access Model

The different types of access modules under ONOS based on the existing infrastructure of the participating institutions are as under:

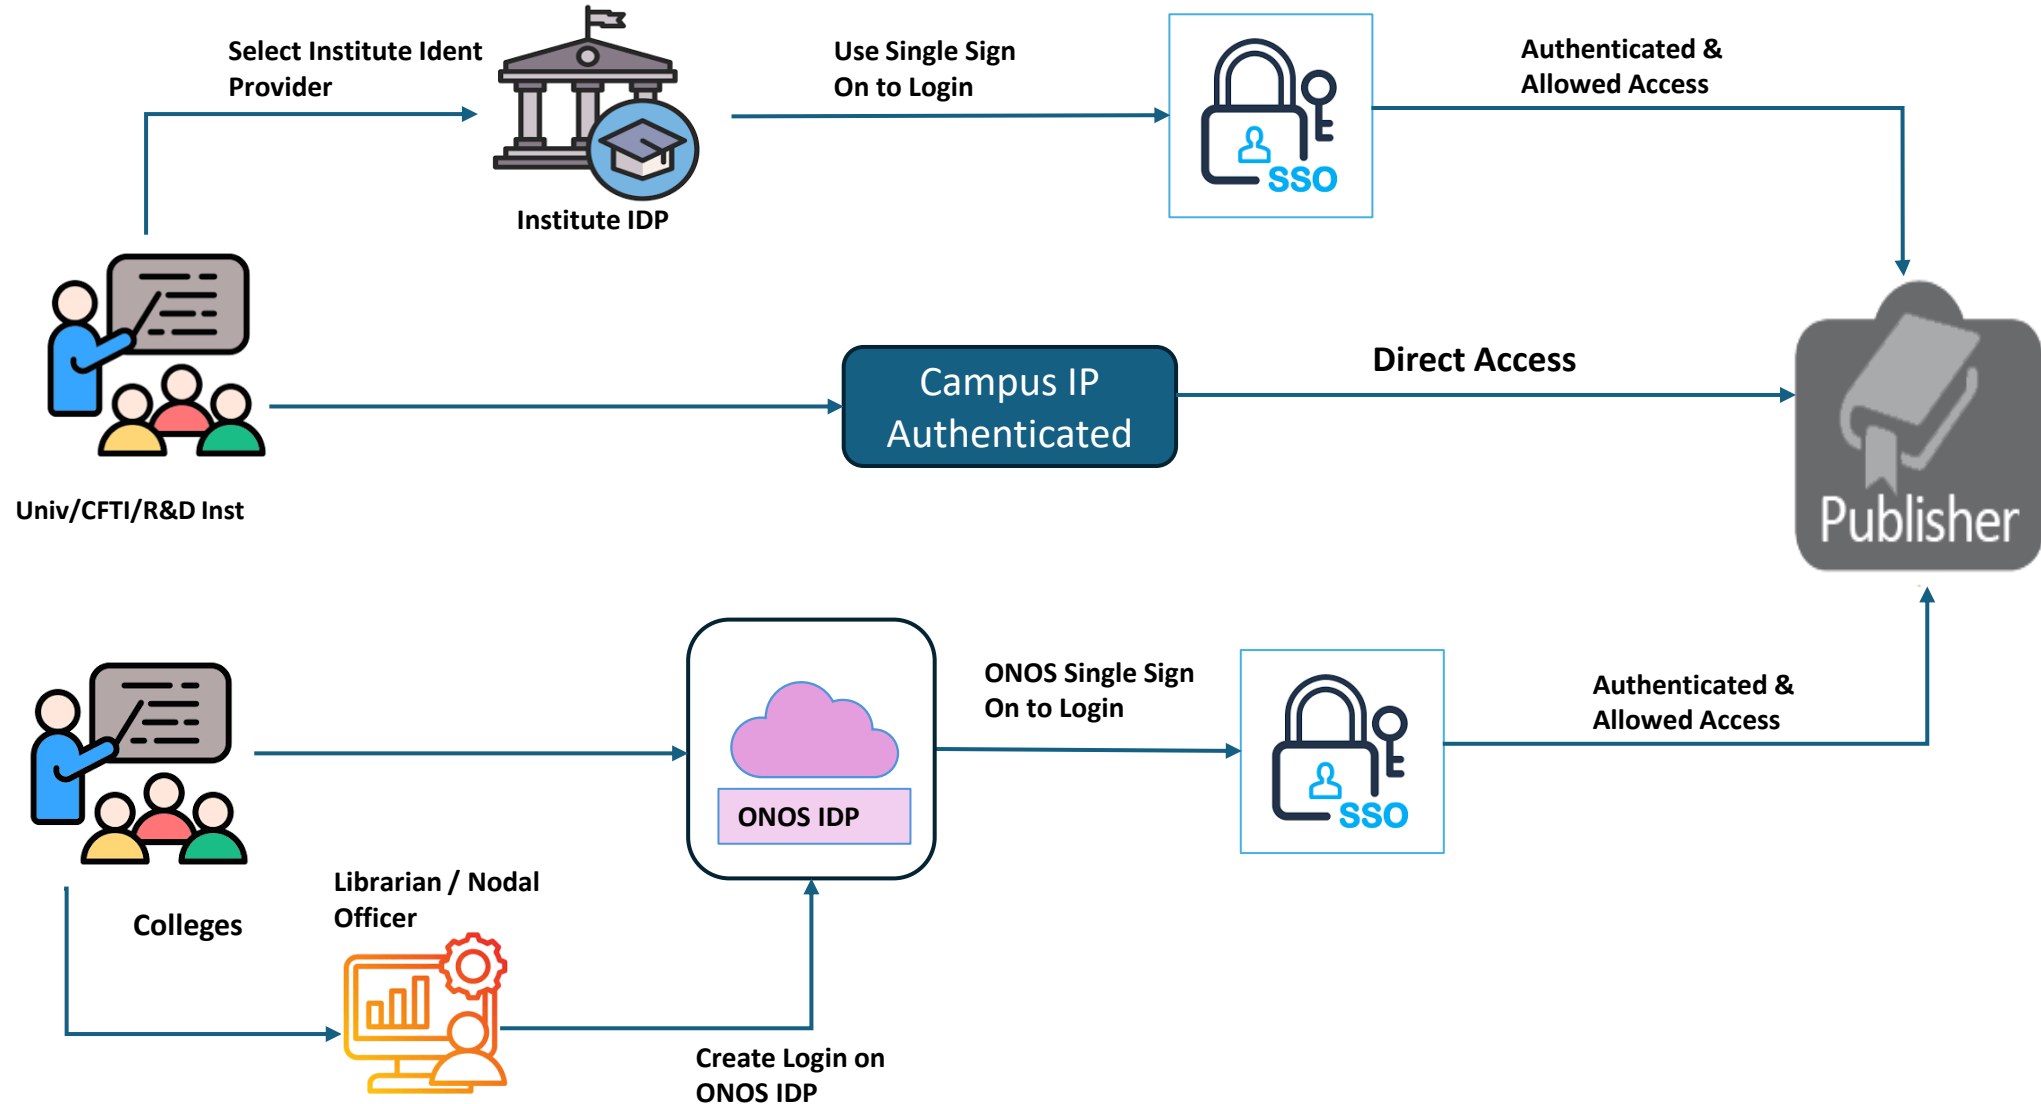

i. For Institutions who have their **own static IP** address for subscription to journal resources (example: University / Central Government Higher Education Institutions/ Research Institutions, etc.): For such institutions, access will be available through:

- i. **Campus wide-Network:** This means any computer /laptop/mobile device connected in Campus network will automatically get access to articles from all considered publishers. No separate individual user registration is required.
- ii. **Off-campus Access through INFED:** using user Id and password through Shibboleth based Institute Identity Provider (IDP) authenticated by INFED Access Management Federation setup at INLIBNET Centre, Gandhinagar.

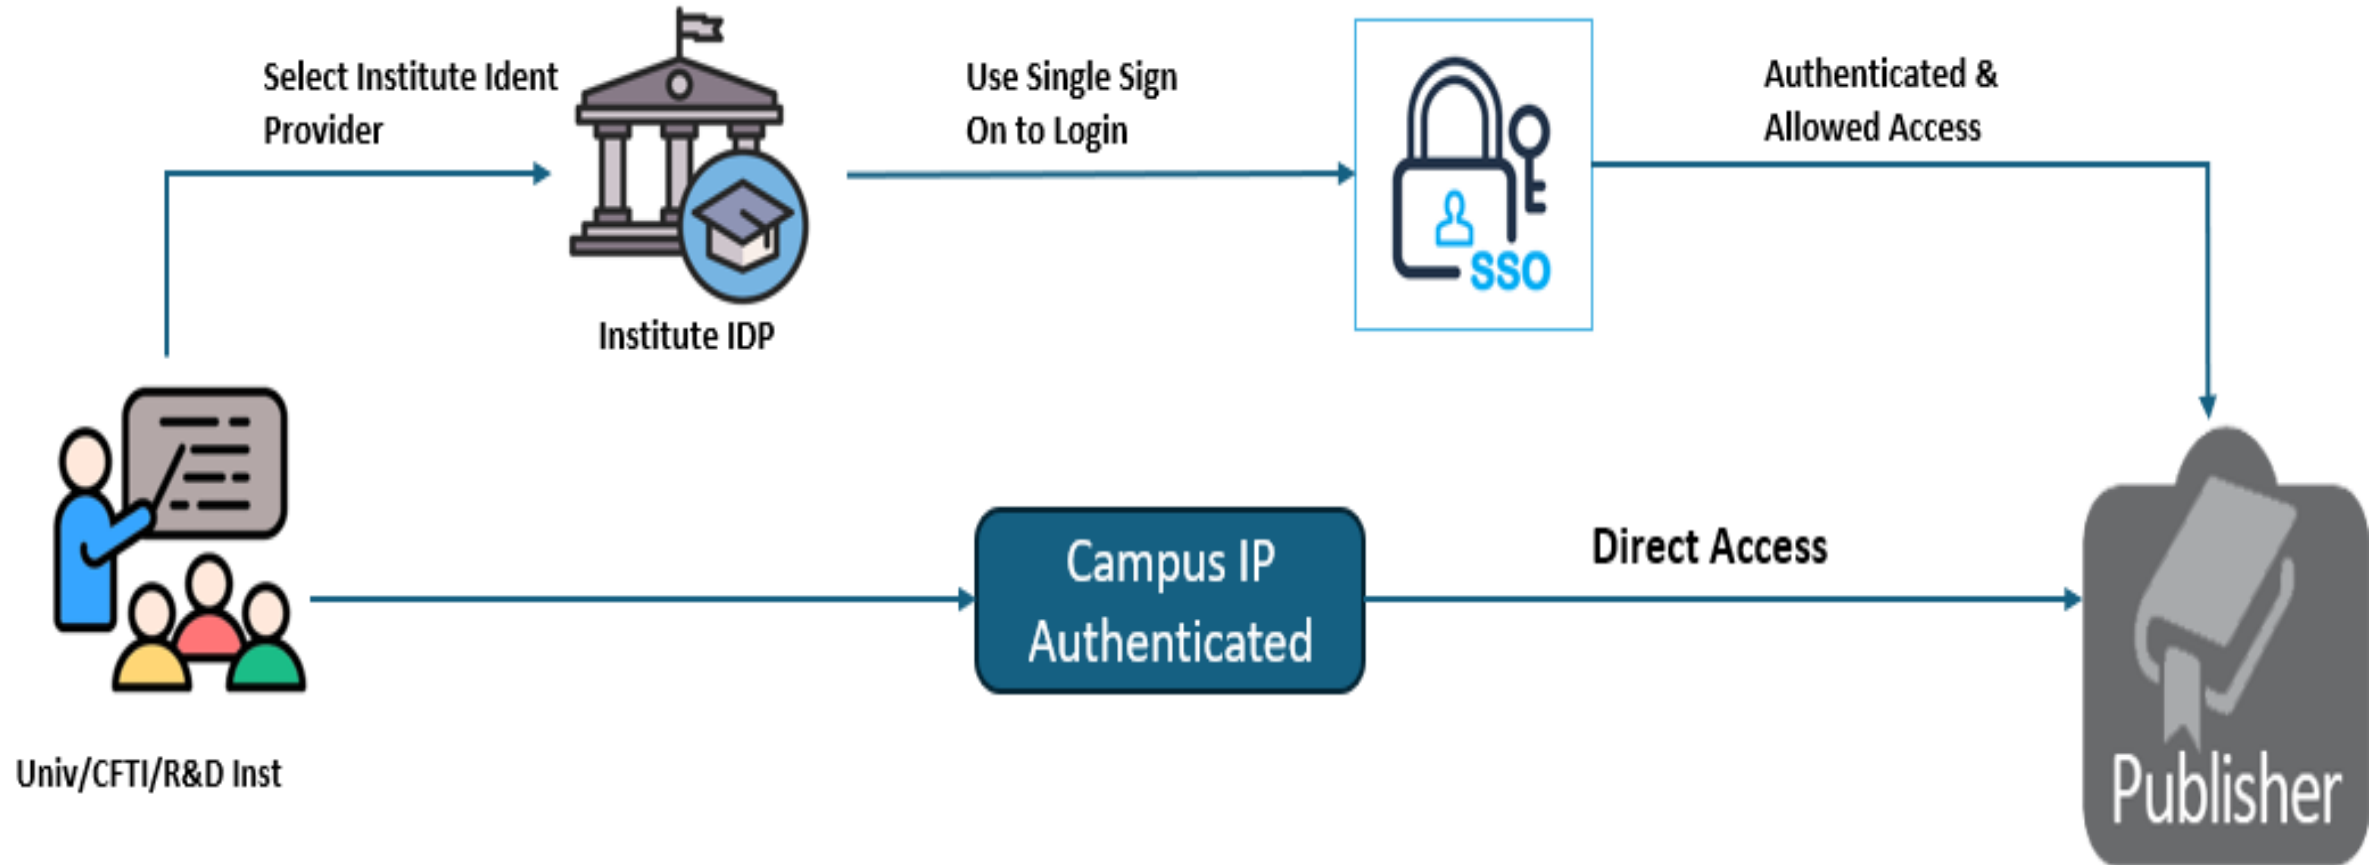

ii. For **Colleges & Institutions NOT having Static IP Address**

- i. Centralized IDP setup at INFLIBNET using INFED is maintained by INFLIBNET Centre and institutional users managed by Librarian/nodal person of the Institute
- ii. Authorised users from member Institutions are required to get their User ID and password from their respective colleges.

One Nation One Subscription

The Prime Minister of India in his address to the Nation from the ramparts of the Red Fort on 15th August, 2022, had pointed out the importance of Research and Development in our country in the Amrit Kaal. He had given the clarion call of "Jai Anusandhan" on the occasion. The National Education Policy, 2020 (NEP 2020) has also identified research as a corequisite for outstanding education and development in our country. In response to the vision of making India Atmanirbhar and Viksitbharat@2047, the Government of India approved One Nation One Subscription scheme to provide country-wide access to international high impact scholarly research articles and journal publications to students, faculty and researchers of all Higher Education Institutions managed by the central government and state governments and Research & Development Institutions of the central government.

- All Government (Central as well as state) HEIs and central government R & D institutions
- **Register at ONOS portal** to get User ID and password.
 - New registration will require institution name, AISHE code and contact details of institute nodal officer. Registered member institutions can be viewed at <https://www.onos.gov.in/instituteList>
 - Institution AISHE Code is mandatory for registration. The institutions who do not have AISHE Code need to apply for AISHE code in the AISHE portal (<https://aishe.gov.in/>).
 - Institutions engaged in research & development activities and not having students need to apply under the R & D category in the AISHE portal. For the R & D institutions, a letter authorising them to join ONOS from their parent Ministry / Department in the central government is necessary.
- **Existing government consortia users**, including state government higher education institutions having their static IP address are being automatically ported to the ONOS portal for smooth transition

APC Support

Article Publishing Charges /Article Processing Charges (APC) is one of the components of the ONOS scheme. APCs for selected good quality open access journals will be centrally funded through the executing agency for ONOS. Top quality Gold open access journals are selected based on criteria defined by Core Committee, ONOS which is updated from time to time. The Open Access journals can be either from the 30 publishers providing access to their published journals in ONOS or other publishers.

[ABOUT](#)

The InfiStats Usage Statistics Portal is developed by INFLIBNET Centre for monitoring the usage statistics of various e-resources made accessible to the member institutes under e-Shodh Sindhu Consortium. The InfiStats harvests the COUNTER Usage for members through SUSHI Protocol. The InfiStats portal imports the usage data from the publisher's website. The InfiStats interface provides journal title level usage to member institutes. The member institutions can also login to this portal for monitoring the usage of their respective e-resources that are available to them through central funding. The portal also provides an option to include the usage for self-subscribed resources by the member institutions and monitor from the InfiStats portal.

To set up Infistats for monitoring usage statistics of e-resources subscribed by your institute, please register on [eSS Online e-Requisition System](#). Registered members of e-Shodh Sindhu can directly Login to InfiStats from eSS Online e-Resource Requisition System portal by visiting the ["Subscribed Resources" Tab](#).
