Subject: Regarding informing the students to participate in Placement Drive by Glenmark Lifesciences

Sir/Ma'am,

With reference to the subject mentioned above, I am writing to inform you about a placement drive organized by Training and Placement Cell, where Yuvashakti Foundation will be recruiting students of B.Sc. and M.Sc. (Chemistry) programs for Glenmark Lifesciences. This placement drive is scheduled to take place on May 30, 2024, from 10:30 AM onwards at Senate Hall, University Campus.

I believe this is a golden opportunity for students to start their careers with a leading organization in the pharmaceutical industry. Therefore, I kindly request your full support in promoting this placement drive among your students. Your assistance in informing and encouraging eligible students of the B.Sc and M.Sc (Chemistry) programs to participate will be immensely valuable. A google form for registration of students is enclosed herewith (<https://forms.gle/yxgDav53LdVbWL4c9>).

Thank you in advance for your cooperation and support in making this event a success.

Warm regards,

Prof.(Dr.) Krishna Kumar
Convenor
